Intended Study/Research Visit - WHERE

Personal Priority	top
Host Institution	University of Linz
Host Institution	Johannes Kepler's University Linz
Destination	Linz
Target Country	Austria
Field of Studies	Computer science
Title of Proposed Project/Study Programme	Artificial Intelligence
Keywords regarding your research project	Autonomous vehicles, healthcare robots, intelligent household appliances, smart digital assistants: Artificial Intelligence is like a way into our everyday lives.
von	24.03.2022
to	30.07.2023
Planned Duration of Stay (in full months)	9
Summary of your proposed study/research project (max. 5.000 characters)	
Why did you choose the Austrian institution for your stay?	I find JKU perfect for my desired AI program. Linz is a global hot-spot in AI research and this is Europe's first academic degree program for AI. Also the program is international and offered in English. But above all: I want to actively create our future, and the JKU provides an excellent opportunity for independent practice and project.
Please describe the reasons for your selection of the host institute (max. 1.500 characters)	
State the name of the Austrian academic supervisor	
E-mail of Austrian Supervisor	
For students: have you been admitted to the study programme in Austria?	Yes
Primary Objective of Application	X
